

Microsoft Licensing Health Check

Novacoast's experts know the top licensing mistakes & understand licensing nuances that can save real money!

Our experts know what to check for in your environment. With a comprehensive knowledge of best practices and next steps we can consolidate licenses, and prevent overpaying for licenses you don't need. Avoid having duplicate licenses, and understand what you current have. Our experts will ensure you are have the best licensing agreement for your organization, and reduce you risk of unsavory audits.

How It Works

Contract Review	Azure Cost Optimization	Microsoft 365 Licensing Review	Expert Knowledge
Renewal Dates and Multi-Year Projections	Virtual Machine Reservation Possibilities	Getting the most of what you own	Leverage Microsoft Promotions
Similar Products in Contracts	Short-term (1yr) vs Long-term (3yr) Savings	Correct Bundling & Replacement Opportunities for existing or expiring 3rd Party software	Legacy Licensing Exceptions
Consolidation Opportunities			Help architect solutions to lower costs
