FEDERAL SUMMIT

Federal Cybersecurity Executive Attendee Information

*The Ultimate Federal Cybersecurity
Executive Experience.*

Carahsoft Headquarters

Reston, VA

Thursday | November 6th, 2025

Why Attend?

New Standard of **Education and Engagement**

➤ Government Panels

Gain unique insights from government experts as they discuss the evolving landscape of cybersecurity and its impact on various sectors.

Hear directly from senior government cybersecurity leaders as they unpack evolving threats, interagency strategies, and the future of national cyber defense.

➤ Peer Discussions

Dive deep into topics like DevSecOps in AI, cloud security and compliance alongside your peers in both the public and federal sectors.

Engage in candid, **closed-door conversations with fellow CISOs and cybersecurity leaders** on emerging trends, operational challenges, and strategic priorities shaping the future of cybersecurity.

➤ Interactive Sessions

Get hands-on with cutting-edge technologies and solutions showcased by our sponsors and see firsthand how they can enhance your security practices.

Explore practical demonstrations of emerging technologies from trusted solution providers — with a focus on applicability to federal environments and zero trust architectures.

Attendee Details & Pricing

The **ultimate cybersecurity executive** experience.

To qualify as an Attendee, you must hold a C-Level, Executive Level or Decision-Maker title/role within information security at your current organization. Our typical Attendee is from a company with 3,000 – 10,000+ employees and \$800M - \$1B+ in revenue. **All Attendees must be invited and approved by Innovate Cybersecurity.**

Pass Pricing

Early Bird (Ends September 5, 2025)	\$199
Standard (September 5 - October 10, 2025)	\$249
Late (October 11 - November 6, 2025)	\$299

Complimentary passes are available for eligible Federal Employees. To qualify, applicants must possess a .gov or .mil email address and successfully complete our attendee approval process.

Attendee Pass Benefits

Refer to Attendee Qualifications

- Industry Expert Education Sessions
- Peer CISO Panels
- Peer Discussion Breakout Sessions
- Peer Networking Events
- Meals (included in pass price)
- 2 Drink Vouchers (included in pass price)

Next Level Networking

Your greatest resource **is each other.**

Assemble

Everyone you meet here shapes policy, facing and fighting the same challenges as a leader.

We bring together CISOs and cybersecurity executives across federal industries to unite and collaborate. Meaningful knowledge sharing happens everywhere, whether on stage or in the margins.

Forge

With dedicated networking time, Innovate Federal creates space for **collaboration, learning from experts, and solidified connections.** We are committed to forging a community of trailblazers that stay at the forefront of the federal cybersecurity landscape.

Influence

The ideas that define an era of cybersecurity don't just come from services experts—they're built on the field by you and your colleagues. Bring your experience to the table and **join the conversation.**

Education Sessions

Join our Education Sessions and CISO Panels curated by our CISO Advisory board. **Earn your Continuing Education Credits with us!**

Our Education Session topics are selected by our Advisory board members presented by subject matter experts. Sessions are vendor agnostic and discuss emerging strategies, with a focus on techniques and solutions to everyday challenges in cybersecurity. With a wide variety of topics and education, Innovate provides the new standard for cybersecurity education.

Peer Discussion Breakout Sessions

Peer Discussion Breakout Sessions are led by fellow cybersecurity executive attendees and foster discussion and collaboration around chosen topics in smaller groups.

This will be your chance to truly join your peers and learn from their experiences in a closed-door attendee only environment.

Join Our Cybersecurity Executive Community

Innovate brings together CISOs and security executives across the nation for exclusive education and peer networking.

Our events are built by cybersecurity executives for cybersecurity executives. **Be a part of our first Innovate Federal** and join our community!

Our Target Audience:

JPMORGAN
CHASE & CO.

Peraton
